

## 2.2 How Solvay supports the UN Sustainable Development Goals (SDGs)

As a member signatory of the UN Global Compact, the Group is already implementing the UN Sustainable Development Goals (SDGs) in its daily business with its products and solutions. Solvay's high materiality issues are in line with the global Development.

### SOLVAY SUPPORTS THE UNITED NATIONS GLOBAL COMPACT

I am pleased to reaffirm Solvay's support for the ten principles of the UN Global Compact and for the 17 Sustainable Development Goals (SDGs), all of which align with our Group's values and policies. Solvay is committed to continue to advance those principles within its sphere of influence by incorporating the UN Global Compact and its principles within its strategy, culture and day-to-day operations.

Sustainability is at the heart of our vision. We want to be a role model for sustainable chemistry in the way we manufacture, do business and manage people, and by the product portfolio we offer to our customers.

In this report, we describe how Solvay creates sustainable value shared with its stakeholders. A key aspect is to conciliate the various sustainability goals and the interests of our stakeholders.
